Announcement

It is with pleasure that the Eastern Indiana Shorthorn Breeders present this catalog to fellow breeders, friends and everyone interested in Shorthorn Cattle. We invite you to be our guests on Wednesday, Sept. 19th, 1951 when we will sell to the highest bidder 54 head of high quality breeding cattle.

Starting promptly at 10:00 A. M. the cattle will be judged by Jim Fisher, from the well-known firm of Geo. N. Fisher and Sons, Wapakoneta, Ohio.

The sale will start promptly at 1:00 p. m.

The offering consists of bulls, open heifers and cows with free calves at foot. The cattle in this sale have been carefully selected from among our top breeding herds. A large percent will not be highly finished, but in good enough shape to go out and do well for their new owners.

We are sincere in our belief that this sale offers a real opportunity for new breeders to purchase foundation animals for new herds and older breeders to find replacement cattle to strengthen quality in their herds.

We sincerely hope that you and your friends can be with us on Wednesday, Sept. 19, and that you can find just what you want at a price you feel you can afford to pay.

ELCONA DIAMOND LEADER - Elcona's two entries in this sale are by Edellyn Royal Leader 22d. The show and sales records of the offspring of this product of the Edellyn Royal Leader-Calrossie Mercury cross is well known to Shorthorn breeders everywhere. Their show performance in 1949 and 1950 added to the already well established prestige of this great bull and his sons and daughters have been in great demand at good prices.

Roland Clipper, sire, and Walshford Paymaster, maternal grandsire of Elcona Diamond Leader's dam both made great records in the Beath herd. There is a double infusion of Walshford Paymaster's blood here, as he was also the maternal grandsire of Roland Clipper.
